Summer Schools 2019 include:

- workshops with innovation entrepreneurs and mentors;
- seminars by well-known professors;
- business advice from the best coaches;
- tours to the University's research laboratories and StartUp center;
- visit to Samara factories and innovation enterprises;
- cultural program in Samara city;
- travel to Moscow – the capital of Russia and St. Petersburg.

You can see our programs of the Summer Schools 2019 at **summer.ssau.ru**.

The main advantage is that everybody can get not only knowledge but also experience, learn culture of Russia and make new friends.

Volunteers of Samara University will help applicants to make Summer Schools 2019 unforgettable.

We have an exciting offer for ambitious bachelor's and master's students studying management, computer science or engineering. Samara University is high-ranked university with opportunity to study in different fields and we are sharing these opportunities with you.
