DIGITAL RECORDS IN THE BRAZILIAN HIGHER EDUCATION SYSTEM

To whom it may concern,

From 2022 onward, all diplomas issued by the Federal University of Ceará shall be awarded exclusively in traceable, electronic form.

This shift away from paper-based documents is a requirement imposed by federal legislation – namely, [Ministry of Education Ordinance no. 330 of 5 April 2018](#) and its several [supplemental regulations](#) – with which all research and education entities sponsored by the Federal Government must comply.

Electronic degrees can be checked for authenticity by scanning the QR code seen in the diploma file. For queries or assistance, please reach out via the contact details below.

Sincerely,
