ON DIGITAL DIPLOMAS

To whom it may concern,

Beginning in 2022, all diplomas issued by the Federal University of Ceará (UFC) have been awarded exclusively in traceable, electronic form. This shift away from paper-based documents is a requirement imposed by federal legislation – namely [Ministry of Education Ordinance no. 330 of 5 April 2018](#) and its [supplemental regulations](#) – with which all research and education entities sponsored by the Federal Government must comply.

Digitally issued diplomas can be checked for authenticity by clicking the e-signatures therein and verifying the certificate embedded into each signature as a trusted identity. Because it adheres to the requirements of the Brazilian Public Key Infrastructure ([ICP-Brasil](#)), the certificate acquired by UFC imbues electronic signatures with the same legal standing as handwritten signatures, similarly to eIDAS in the European Union, NIST-DSS in the US, and ZertES in Switzerland.

Sincerely,
